

Welcome to the Bay City Gun Club, I hope everyone had a good New Year's celebration. Everyone mark your calendars for Thursday January 29th for our annual gun club meeting. The meeting will be at the VFW Hall on North Hwy 60 in Bay City at 7:00 PM.

The directors met in December and some key items from the meeting are; 1. We are purchasing new skeet machines instead of rebuilding the old ones, Jimmy Brown and Dave Dujka are heading up the details on installation. 2. Along with new machines we are pursuing relocating the Skeet range back to its original location straight in from the gate. 3. The directorate also decided to return to the old system of key locks for the gate. 4. Changing the annual dues to one rate of 100 dollars which will allow use of both shotgun and pistol/rifle facilities. Cost for maintaining the range have risen and the last increase we had was many years ago. Again mark your calendars for the 29th of January and I hope to see you at the meeting.
